PROCUREMENT SERVICES

YOUR SOURCE FOR THE WORLD!

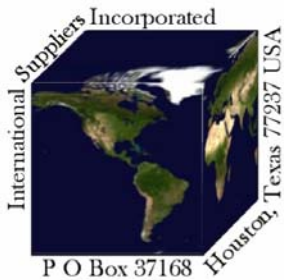

International Suppliers began its operations by providing Procurement Services. We have procured out of production replacement parts, the latest models from major manufacturers, and everything in between.

Now with over 30 years experience, we are certain that we can assist you in finding the products you need at competitive prices. If you are looking for a product which we do not distribute, please send us a request for quote and we will begin working for you. Providing us with the most information possible—such as make, model, drawings and/or specifications—will allow us to work faster to find exactly what you need. Best of all, we charge nothing for quotes, and only earn money when you buy from us.

Whatever your industry, we can help you in finding the products you need. We have already served all the following industries:

Petroleum • Public Works • Construction • Education • Automotive • Digital Equipment • Mining • Banking • Airport & Aviation • Water Treatment • Information Technology • Telecommunications • Medical and Dental Equipment • Non-Regulated Military • Computer and Business Equipment • Power Generation & Distribution • Farming / Agriculture • Fire, Safety and Security

We look forward to serving you and your needs!
